Anniesa.henkel@marsh.com

Anniesa Henkel, FCIP, CRM **Vice President, Client Executive** Marsh Canada

Current Responsibilities: As a Client Executive with a strong technical background, Anniesa works with a wide variety of clients. Anniesa coordinates the design and placement of coverage and services throughout the development and diversification of clients' corporate evolution. As the primary contact her role is to liaise between all stakeholders to ensure all resources are engaged accordingly, deliver the goals and objectives identified while always seeing to improve and strengthen her clients insurance and risk management knowledge and process.

Experience: A strong team player, Anniesa brings over 17 years of knowledge and insurance experience in the areas of local and multinational complex commercial accounts of all sizes. Her varied book of clients allows for insight and expertise in numerous areas including, acquisitions & joint ventures, cross border placement/expansion, provincial and federal taxation and multi-disciplined companies. Her genuine interest of clients and approachable nature allows her to become part of their team. She has partnered with her clients in order to implement risk management initiatives, create understanding and better allow her to represent clients to the insurance marketplace. Anniesa enjoys the challenge of recommending optimal risk transfer solutions which inevitably builds stronger and successful organizations.

Over the past 17 years, Anniesa has been involved in the servicing, placement, marketing and maintenance of complex insurance programs for the following market segments: Condominiums / Property Management / Aggregates / Oil & Gas / Contractors / Manufacturing / Propane Hauling / Electrical Contracting

Education: Finance Diploma, NAIT. CAIB, CIP, FCIP and CRM designations.

Affiliations: Volunteer and past board member for Northern Alberta Canadian Condominium Institute
