

Speaker Biography

Ted Letourneau
Senior Occupational Hygienist
Safety Coordination Services

Ted Letourneau, a Senior Occupational Hygienist with Safety Coordination Services in Edmonton, is motivated to eliminate diseases in the workplace. He is an Environmental Professional with EcoCanada and a Registered Occupational Hygienist with the Canadian Registration Board of Occupational Hygienists.

Tel: 780.485.3585

ted@safetycoordination.com

For the past 16 years Ted has managed asbestos, lead, mould and indoor air quality projects in British Columbia, Alberta, Saskatchewan and Nunavut. Three years ago, he developed the Occupational Health and Safety for the Asbestos Worker two-day certification course approved by Alberta Occupational Health and Safety and has delivered the course to over 500 students.

Ted has volunteered on several condominium boards and is devoted cyclist when the weather decides to cooperate.
