Jamie Shima

Pivotal Property Management Inc.

Jamie Shima is the co-founder and Director of Operations at Pivotal Property Management Inc., founded in 2011. Jamie's background is in casino management and worked for Royal Caribbean International for 10 years, prior to starting Pivotal. Pivotal has built its client base off of a business model focusing on understanding the fundamental challenges of the 'old school' style of condominium management from a business management perspective, then using streamlined processes and applying innovative technology platforms to deliver a high quality of service to their clients.
